Dear DePaul:

The Board of Directors of the NCHSAA concluded its winter meeting on November 30th. This letter is written in response to a request from the Track Coaches Association.

The Board of Directors reviewed your proposal and chose to wrap it in with another financial proposal! It voted to approve an increase in several state championship ticket prices, effective with the winter and spring sports. This means that the state championship prices for Indoor Track will increase to \$10 per classification. This should address the essence of the request from your organization, with the assistance of the NCHSAA sports department staff in determining specific and exact officiating needs in Indoor Track.

Thank you for your concern and interest in the welfare of your sport. Merry Christmas and Happy New Year!

Sincerely,

Que Tucker,
Commissioner
